

Police Chief DOQ – Contract position

The Police Chief plans, oversees, and directs the operations and services of the Police Department, including law enforcement, crime suppression and prevention; works cooperatively with City departments and outside agencies; is committed to community engagement and provides highly responsible and complex administrative support to the City Manager.

Minimum qualifications include a Bachelor's degree from an accredited college or university in criminal justice, police science, public administration or a closely related field. A Master's degree is preferred. The successful candidate must pass an extensive background investigation, possess a valid California driver's license and an acceptable driving record.

Any combination of experience and training that provides the required knowledge and abilities qualifies. A typical way to obtain the knowledge and abilities would be:

- Six (6) years of experience in police work, including at least three (3) years of supervisory/management experience in a municipal police department or county sheriff's department.
- California P.O.S.T. Management certificate.
- Possession of, or the ability to obtain, an appropriate, valid California P.O.S.T. Executive certificate.
